

Project SOUP, founded in 1969, is the food pantry associated with the Somerville Homeless Coalition. Our mission is to address food insecurity in our community by providing healthy, wholesome groceries and meals. We serve 900 plus families per month through our pantry, community meals, and home delivery program for the homebound.

## Support Project SOUP!

We strive to provide our clients with foods that meet their nutritional and culture-specific needs. Each month we focus on building a stock of particular items.

**For March 2021, we are seeking:**

- **Masa (e.g. Maseca or Masarica brand)**
- **Instant Coffee**

**Other items such as cooking oil, regular coffee, high-quality soups, solid white tuna, or toiletries are always needed.**

Donated items can be brought to Project SOUP at **165 Broadway** anytime during our open hours.
